The right combination

The Walraven range includes many other products which can be used perfectly in combination with the Britclips® fixing system.

- starQuick® Pipe fixing system
- STARLOCK® Cable bind system
- BIS DobyGrip Suspension system

starQuick®
starQuick® pipe clamps guarantee a reliable and labour saving working method: the pipe is simply offered into the clip - pressing the pipe - click - ready!

The sophisticated range of accessories allows pipe fixing to each type of material. Also pipe fixing to metal rail or steel constructions, or fixing of multiple pipes is very easy.

- Self closing system
- For all pipe types from Ø 10 to 65 mm
- Totally plastic assembly system
- Corrosion free pipe fixing

STARLOCK®

The multi purpose cable bundler STARLOCK® allows tightening and cutting cable strips in one movement. Always the right cable length without loss of material.

- Easy and quick to use
- Wide range of applications
- Tightens strip and cuts redundant parts
- No loss of material

BIS DobyGrip

Both heavy and light objects can be suspended safely and quickly with BIS DobyGrip. Whether it is for cable channels, suspended ceilings, air ducts or light fittings: it's all possible with BIS DobyGrip!

The self-locking fastener is as simple to use as a tie-wrap. The various versions (loop-end, stud-end or side nut) make the system very flexible and widely applicable.

- Simple and fast
- Lightweight
- For 1001 purposes
- High safe loads
